

Curriculum Vitae

CHARLES VICTOR POLLACK, JR., M.A., M.D., FACEP, FAAEM, FAHA, FACC, FESC, FCPP

Contact

Office: (610) 329-2986 FAX: (888) 959-8345
E-mail: cvpollack@gmail.com, charlie@cgpconsulting.org

Citizenship

United States

Current Position

AcademicCME, Wayne, PA

- Medical Director

eXlthera Pharmaceuticals, Westborough, MA

- Medical Director

CGP Consulting, PC, Wayne, PA

- President

Company Nurse, Scottsdale, Arizona

- Chief Medical Officer

Hospital Quality Foundation, Shrewsbury, NJ

- Founding Board Member

Academic Appointment

Clinician-Scientist, Department of Emergency Medicine
University of Mississippi School of Medicine
Jackson, MS

Board Certification

Diplomate of the *American Board of Emergency Medicine* through December 31, 2022

Licensure

Current medical licensure in Pennsylvania (2001), Arizona (1992), Mississippi (1989), California (1985), and Delaware (2016)

Education and Training

1980	B.A. in chemistry and history <i>summa cum laude</i> and M.A. in history, Emory University, Atlanta, Georgia
1984	M.D., Tulane University School of Medicine, New Orleans, Louisiana
1984-1985	PGY-1, General Surgery, Naval Hospital, San Diego, California

1989-1991	PGY-2-3, Emergency Medicine, University of Mississippi Medical Center, Jackson
1991-1992	Chief Resident, PGY-4, Emergency Medicine, University of Mississippi Medical Center, Jackson

Military Service

Lieutenant Commander (Select), Medical Corps, United States Navy (Reserve), at
honorable discharge in Jun 1989
Active duty, USNR, 1984-1989
Naval Health Professions Scholarship Program, 1980-1984

Military Decorations

Navy Achievement Medal Meritorious Unit Commendation
Navy-Marine Corps Fleet Marine Force Ribbon Sea Service Deployment Ribbon
Navy-Marine Corps Overseas Service Ribbon

Honors

Phi Beta Kappa
Alpha Omega Alpha

Past Affiliations

Thomas Jefferson University, Philadelphia, Pennsylvania, 2015-2019

- Associate Provost for Innovation in Education, Thomas Jefferson University
- Founding Director, Jefferson Institute of Emerging Health Professions
- Founding Director, The Lambert Center for the Study of Medicinal Cannabis and Hemp at Thomas Jefferson University
- Associate Dean for CME and Strategic Partner Alliances, Thomas Jefferson University
- Professor and Senior Advisor for Interdisciplinary Research and Clinical Trials, Department of Emergency Medicine, Sidney Kimmel Medical College of Thomas Jefferson University

Professor of Emergency Medicine, Perelman School of Medicine, University of Pennsylvania, 2001-2015
Chairman, Department of Emergency Medicine, Pennsylvania Hospital, 2001-2015
Medical Director, Emergency Medicine, Arizona Heart Hospital, 2000-2001
Chairman, Department of Emergency Medicine, Maricopa Medical Center and Arizona Heart Hospital, 1997-2000
Research Director, Department of Emergency Medicine, Maricopa Medical Center, 1994-2000

Research Presentations at National and International Meetings

1. "A Profile of Teaching Scientists in Georgia, 1979." Annual meeting, Georgia Academy of Science, Augusta, May 1979.
2. "A Profile of Teaching Scientists in Georgia, 1979." Annual meeting, Southern Association for the History of Science and Technology, Lexington, Kentucky, Jul 1979.
3. "Prevention of Post-Operative Complications in the Lower- Extremity Amputee." Annual meeting, American Association of Physical Medicine and Rehabilitation, and American Congress of Rehabilitation Medicine, Los Angeles, Aug 1983.
4. "Intraosseous Administration of Broad-Spectrum Antibiotics." Annual meeting, Emergency Medicine Section, Southern Medical Association, Nashville, Oct 1990.
5. "Gastric Emptying in the Acutely Inebriated Patient." Research Forum, Rocky Mountain Conference on Emergency Medicine and Nursing, Crested Butte, Jan 1991.

6. "Usefulness of Empiric Chest Radiography and Urinalysis Testing in Adults with Acute Sickle Cell Pain Crisis." Annual meeting, Society for Academic Emergency Medicine, Washington, D.C., May 1991.

7. "Long-term Effects of Intraosseous Infusion on Tibial Bone Marrow in the Pig Model." Annual meeting, Emergency Medicine Section, American Academy of Pediatrics, New Orleans, Oct 1991.

8. "Grossly Positive Peritoneal Lavages and Nontherapeutic Laparotomies after Abdominal Stab Wounds." Annual meeting, Emergency Medicine Section, Southern Medical Association, Atlanta, Nov 1991.

9. "Incidence of Subclinical Methemoglobinemia in Infants with Diarrhea." Annual meeting, Society for Academic Emergency Medicine, Toronto, May 1992.

10. "Suprapubic Bladder Aspiration vs Urethral Catheterization in Ill Infants: Success, Efficiency, and Complication Rates." Annual meeting, Society for Academic Emergency Medicine, Toronto, May 1992.

11. "Treatment of Acute Bronchospasm with Beta-Adrenergic Aerosols Delivered via a Bi-PAP Circuit." Annual meeting, Society for Academic Emergency Medicine, Washington, D.C., May 1994.

12. "Outpatient Management of Urticaria: The Role of Prednisone." Research Forum, American College of Emergency Physicians, San Francisco, Feb 1995.

13. Moderator ("Asthma") and Discussant ("Clinical Practice"), Research Forum, American College of Emergency Physicians, Cincinnati, Feb 1996.

14. Moderator ("Clinical Practice"), Annual Meeting, Society for Academic Emergency Medicine, Denver, May 1996.

15. "Further Experience with the Visualized Endotracheal Tube." 7th International Conference on Emergency Medicine, Vancouver, B.C., Mar 1998.

16. "Teaching and Using the Bullard Laryngoscope in the Emergency Department." 7th International Conference on Emergency Medicine, Vancouver, B.C., Mar 1998.

17. "Clinical Utility of the Bullard Laryngoscope in the Emergency Department." *Research Forum, Scientific Assembly*, American College of Emergency Physicians, San Diego, Oct 1998.

18. "A Prospective Multicenter Study of Patient Factors Associated with Hospital Admission among Children with Acute Asthma." Annual Meeting, Society of Academic Emergency Medicine, Boston, May 1999.

19. Moderator, Opening and Closing Plenary Sessions, *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Las Vegas, Oct 1999.

20. "Inappropriate Use of Antibiotics for Lacerations in the Emergency Department: Results of a Pilot Trial." Annual Meeting, Infectious Diseases Society of America, Philadelphia, Nov 1999.

21. "Pleconaril Treatment Significantly Improves Outcomes for Enteroviral Meningitis Patients with the Most Severe Disease." Annual Meeting, Society for Academic Emergency Medicine, San Francisco, May 2000.

22. "Accuracy of Initial Risk Stratification in Unselected ED Patients with Chest Pain." *Annual Meeting*, Society for Academic Emergency Medicine, San Francisco, May 2000.

23. "Unfulfilled Potential: Underuse of Glycoprotein IIB/IIIa Inhibitors in Acute Coronary Syndrome Patients in the ED." *Annual Meeting*, Society for Academic Emergency Medicine, San Francisco, May 2000.

24. Moderator, Research Methodology. *Annual Meeting*, Society for Academic Emergency Medicine, San Francisco, May 2000.

25. Moderator, Opening Plenary. *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Philadelphia, Oct 2000.

26. Moderator, Opening Plenary. *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Chicago, Oct 2001.
27. "Despite Recommendations, Troponin Positivity Does not usually Increase Intensity of Intervention in High-Risk Non-ST-Segment Elevation Acute Coronary Syndrome." *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Seattle, Oct 2002.
28. Moderator, Opening Plenary. *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Seattle, Oct 2002.
29. "State-of-the-Art Lecture: Acute Coronary Syndrome, 2002." *Research Forum, Scientific Assembly*, American College of Emergency Physicians, Seattle, Oct 2002.
30. Moderator, Asthma. *Annual Meeting*, Society for Academic Emergency Medicine, Boston, May 2003.
31. "Ischemia-Modified Albumin (IMA) Is Useful in Risk Stratification of Emergency Department Chest Pain Patients." *Annual Meeting*, Society for Academic Emergency Medicine, Boston, May 2003.
32. "Impact of Early Administration of Evidence-Based Antithrombotic and Antiplatelet Therapy in Patients with High-Risk Non-ST-Segment Elevation Acute Coronary Syndrome." *Annual Meeting*, Society for Academic Emergency Medicine, New York, May 2005.
33. "Results from the RESCUE-ACS Study: An ED-Based Study of Anticoagulation Therapy in Patients with Non-ST-Segment-Elevation Acute Coronary Syndrome." *Research Forum*, American College of Emergency Physicians, New Orleans, Oct 2006.
34. "Safety and Effectiveness of Bivalirudin in NSTEMI ACS by duration of the upstream infusion in the ACUTY trial: Implications for ED and upstream management." *Scientific Sessions*, American Heart Association. Chicago, Nov 2006.
35. "Longitudinal Validation of Remote Measurements Obtained from an Implanted Intracardiac Pressure Sensor in a Chronic Canine Model." *Scientific Sessions*, American Heart Association. Chicago, Nov 2006.
36. "Comparison of VRI Patterns in Acute Asthmatic Patients and Non-Asthmatic Patients in the ED." *Annual Meeting*, Society for Academic Emergency Medicine, Scottsdale, Jun 2010.
37. "Update on DVT Prevention and Treatment." *Iowa Healthcare Collaborative Patient Safety Conference*, Des Moines, Mar 2013.
38. "Managing Oral Anticoagulant-Associated Intracranial Bleeding." *Annual Meeting*, American Association of Neurological Surgeons, New Orleans, LA, Apr 2013.
39. "ACS Update." New Hampshire ACEP, Dover, NH, Sep 2013.
40. "Antiplatelet Therapy for ACS." *Scientific Assembly*, ACEP, Seattle, WA, Oct 2013.
41. "Community-Acquired Bacterial Pneumonia Update." *Scientific Assembly*, ACEP, Seattle, WA, Oct 2013.
42. "ACS Update." Connecticut ACEP, Hartford, CT, Nov 2013.
43. "ACS Update." MidAtlantic Regional SAEM, Philadelphia, PA, Feb 014.
44. "ACS Update." *Annual Meeting*, SAEM, Dallas, TX, May 2014.
45. "ACS Update." SEC ACEP, Destin, FL, Jun 2014.
46. "VTE Update." 12th Annual Advanced Emergency and Acute Care Medicine Conference, Atlantic City, NJ, Sep 2014.
47. "Antidotes in Development for Non-Vitamin K Oral Anticoagulants." *Annual Meeting*, European Society of Emergency Medicine, Amsterdam, Netherlands, Oct 2014.

48. "A Single Dose of Oritavancin Compared to 7 to 10 Days of Vancomycin: Lesion Size Reduction in Phase 3 Studies of Acute Bacterial Skin and Skin Structure Infections." *Research Forum*, American College of Emergency Physicians, Chicago, Oct 2014.
49. "Efficacy Outcomes by Lesion Type in Studies of a Single Dose of Oritavancin Compared to 7 to 10 Days of Vancomycin." *Research Forum*, American College of Emergency Physicians, Chicago, Oct 2014.
50. "Acute Management of Pain from the Emergency Department: Initial Report of a Patient-Reported Outcomes Registry." *Research Forum*, American College of Emergency Physicians, Chicago, Oct 2014.
51. "Reversal of Dabigatran with Idarucizumab." *25th International Congress*, Society of Thrombosis and Haemostasis, Toronto, Jun 2015.
52. "Effect of Time to Interventional Treatment after Oral Antiplatelet Administration on Non-ST-Segment-Elevation Acute Coronary Syndrome Outcomes in PLATO." *Annual Meeting*, European Society of Cardiology, London, Aug 2015.
53. "Extended Thromboprophylaxis for Medically Ill Patients." Advanced Emergency and Acute Care Medicine Conference, Atlantic City, NJ, Oct 2015.
54. "Single-dose Oritavancin Treatment of Acute Bacterial Skin and Skin Structure Infections (ABSSSI) in Intravenous Drug Users (IVDU): Results from SOLO Trials." *Research Forum*, American College of Emergency Physicians, Boston, Oct 2015.
55. "Initial Experience with Idarucizumab in Dabigatran-treated Patients Presenting with Acute Gastrointestinal Hemorrhage: Interim Results from the RE-VERSE AD Study." *Research Forum*, American College of Emergency Physicians, Boston, Oct 2015.
56. "Initial Experience with Idarucizumab in Dabigatran-treated Patients Presenting with Acute Traumatic Injuries: Interim Results from the RE-VERSE AD Study." *Research Forum*, American College of Emergency Physicians, Boston, Oct 2015.
57. "Anticoagulation in the Emergency Department." Scientific Assembly, American College of Emergency Physicians, Boston, Oct 2015.
58. "Managing Anticoagulation-Related Emergencies." *Annual Meeting*, European Society of Emergency Medicine, Torino, IT, Oct 2015.
59. "Re-Initiation of Antithrombotic Therapy after Emergency Procedures or after an Uncontrolled or Life-Threatening Bleeding Event: Initial Experience from the RE-VERSE AD Trial." *Scientific Sessions*, American Heart Association, Orlando, Nov 2015.
60. "Reversal Strategies in Anticoagulated Patients." *Annual Meeting*, Européennes de la Société Française de Cardiologie, Paris, Jan 2016.
61. "Idarucizumab for Reversal of the Anticoagulant Effects of Dabigatran in Patients in an Emergency Setting of Major Bleeding, Urgent Surgery, or Interventions." *Annual Meeting*, American College of Cardiology, Chicago, Apr 2016.
62. "Health Care Resource Utilization in Patients Requiring Urgent Surgical/Interventional Management while Taking Dabigatran: Interim Results from the RE-VERSE AD Study." *Annual Meeting*, American College of Cardiology, Chicago, Apr 2016.
63. "The Impact of Reversal Strategies on Anticoagulation Management." *Internal medicine Symposium*, Royal North Shore Hospital, Sydney, Australia, Jul 2016.
64. "Immediate Reversal of Dabigatran with Idarucizumab." *Annual Meeting*, European Society of Cardiology, Rome, Aug 2016.
65. "Oral Anticoagulation + Specific Reversal = More Control." *Annual Meeting*, European Society of Cardiology, Rome, Aug 2016.

66. "Medicinal Marijuana: What We Know and What We Don't Know." *Annual Meeting*, Pennsylvania Association of Pharmacists, King of Prussia, Sep 2016.
67. "Initial Report From an Emergency-Department-Based Registry of NSTEMI Patients Given Upstream Advanced Oral Antiplatelet Therapy." *Scientific Sessions*, American Heart Association, New Orleans, Nov 2016.
68. "Idarucizumab to Reverse Dabigatran in Patient with Life-Threatening Bleeding or Requiring Urgent procedures: Updated RE-VERSE AD Results." *Scientific Sessions*, American Heart Association, New Orleans, Nov 2016.
69. "New Standards in Anticoagulation Care." *Annual Meeting*, Taiwan Society of Cardiology, Taipei, May 2017.
70. "Reversal of Anticoagulation Prior to Surgery." *Annual Meeting*, European Society of Anesthesiology, Geneva, Jun 2017.
71. "Idarucizumab for Dabigatran Reversal." *26th International Congress*, Society of Thrombosis and Haemostasis, Berlin, Jul 2017.
72. "Marijuana: Its Roles, Rewards, and Risks." *South Jersey Healthcare Forum for Business Leaders*, Rowan University, Glassboro, NJ, Jul 2018.
73. "Anticoagulation Care: Covering All the Bases." *Annual Meeting*, European Society of Cardiology, Barcelona, Aug 2017.
74. "Marijuana: Its Roles, Rewards, and Risks." *Internal Medicine Meeting*, American College of Physicians, New Orleans, Apr 2018.
75. "Anticoagulation Reversal in Emergency Cases." *Trumbo 360*, Cancun, QR, Mexico, Apr 2018.
76. "Marijuana: Its Roles, Rewards, and Risks." *Main Line Today Health Care Heroes*. Springfield, PA, May 2018.
77. "Trauma Victims Requiring Dabigatran Reversal with Idarucizumab in RE-VERSE AD." *Annual Meeting*, European Society of Cardiology, Munich, Aug 2018.
78. "Updated Report from an Emergency Department-Based Registry of NSTEMI Patients Given Upstream Advanced Oral Anti-Platelet Therapy." *Scientific Sessions*, American Heart Association, Chicago, Nov 2018.
79. "Warfarin Use Prompting Significant Intervention in the Emergency Department: Acute Hemorrhage and Bleeding Concerns." *Scientific Sessions*, American Heart Association, Chicago, Nov 2018.
80. "Appropriate Therapy for the Patient Presenting to the ED with Severe Bleeding from Vitamin K Antagonists, Factor IIa Inhibitor, or Factor Xa Inhibitors." *Annual Meeting*, Society for Academic Emergency Medicine, Las Vegas, May 2019.
81. "Omadacycline Treatment of Acute Bacterial Skin and Skin Structure Infections in Intravenous Drug Users." *Annual Meeting*, Society for Academic Emergency Medicine, Las Vegas, May 2019.
82. "Reversal and Repletion Strategies Related to Oral Anticoagulation in United States Emergency Departments." *Annual Meeting*, Society for Academic Emergency Medicine, Las Vegas, May 2019.
83. "Pharmaceutical Applications of CBD." *First Asia Hemp Summit*, Hong Kong, June 2019.
84. "Priorities in Medicinal Cannabinoid Research." *Arcview Forum*, Chicago, June 2019.
85. "Management of Acute Hyperkalemia." *Scientific Sessions*, American Heart Association, Philadelphia, Nov 2019

86. "Optimizing Acute Antiplatelet Therapy in ACS." *Midyear Clinical Meeting*, American Society of Hospital and Health-System Pharmacists, Las Vegas, Dec 2019.

Clinical and Research Interests

venous and arterial thrombosis
medicinal applications of cannabinoids
antithrombotic management
infectious disease emergencies
pharmacology of emergency medicine
managing transitions of care
